

Telfer High School Workshops Policy

To ensure the quality of our services and to provide the best experience to the Telfer School of Management students, the following guidelines have been established for all high school workshops and presentations.

Scheduling and cancellation

The established timeslots based on the Telfer School of Management staff and student's availability can only be booked during the registration period. If you must cancel a workshop, please do so by sending us a cancellation email at your earliest convenience. Rescheduling can be arranged when available.

Recording of Workshops and Sharing of Content

The recording of workshops is prohibited unless consent has been given for the Telfer School of Management and the presenter. An overview of the workshop content will be shared after the presentation.

If you have any questions, please contact us at undergraduate@telfer.uOttawa.ca.
